PREFACE

The following tables implement decisions of the USIB on downgrading TALENT photography. These tables provide acquisition numbers for frames of photography of Yugoslavia from missions 1106 (30 August 1956) and 1108 (6 September 1956) as authorized in USIB-D-41.17/36, COMOR-D-22/50, dated 8 June 1964. This release covers additional frames of the two missions for which a similar authorization was granted by the USIB on 20 May 1963, USIB-D-41.17/12 (COMOR-D-22/29). Procedures to be followed in using this photography in a downgraded form shall conform to those authorized by the USIB and set forth in COMOR-D-15/2, 28 December 1960.

The tables for the two missions give the original TALENT frame number followed by the newly assigned acquisition (IBID) number. The box in the upper lefthand corner of each page gives the mission number, the date, and the camera for the frames listed on that page.
